Part 4 - 'Pansies'

By Anita Gibney

May already!!

This month's square is inspired by pansies from my own garden. I thought the dusky pinks and deep purple looked beautiful against the dark blue pots and wanted to recreate it in yarn.

I've used Rico creative melange in the pansies, and it gives a really interesting variegated effect.

As always, thank you for sharing your squares with me. I can't wait to see what you all come up with this time It's lovely to see so many different colours. Share your progress with me on Instagram with @madebyanita or @mycraftlife or on Facebook #Mycraftlife.

Here is my layout for May, and a blank for you to try out your own scheme with the colours you have in your stash.
